SUMMIT OVERVIEW

HIT REFRESH 2026 is Nigeria's **first-ever** Career and Wellness Summit and the flagship summit of the **Balance Unleashed** community. It brings together ambitious professionals and entrepreneurs seeking high performance without burnout.

This summit creates an intentional space to pause, reflect, and realign career, finances, and personal wellbeing, empowering attendees to make choices that support both growth and balance.

Guided by the theme ***“Redefining Success for a Sustainable Future”*** and the subtheme ***“Financial Wellness, Wellbeing & Purpose: Resetting for Sustainable Success,”*** **HIT REFRESH** features keynotes, panel sessions, workshops, and masterclasses focused on career alignment, financial wellbeing, clarity, and legacy leadership.

About Balance Unleashed

Balance Unleashed is a career and workplace wellness community platform FOUNDED in 2024 to help ambitious professionals improve clarity, energy, and sustainable performance.

We operate at the intersection of:

- Career growth
- Mental wellbeing
- Individual and business performance
- Purpose-driven work

Balance Unleashed

Our community includes professionals, entrepreneurs, and leaders seeking healthier ways to work and thrive.

THE FOUNDER

Meet **Rachael Onoja**, a seasoned tech executive with over a decade of experience designing transformational human capacity programs for AltSchool Africa, Andela, European consulates, and more.

After personally experiencing burnout, she founded **Balance Unleashed**, a community dedicated to helping professionals achieve clarity, balance, and sustainable high performance. The **Hit Refresh** Summit is one of the many ways she brings the community's mission to life.

THE PROBLEM

Today, individuals earn more but often experience:

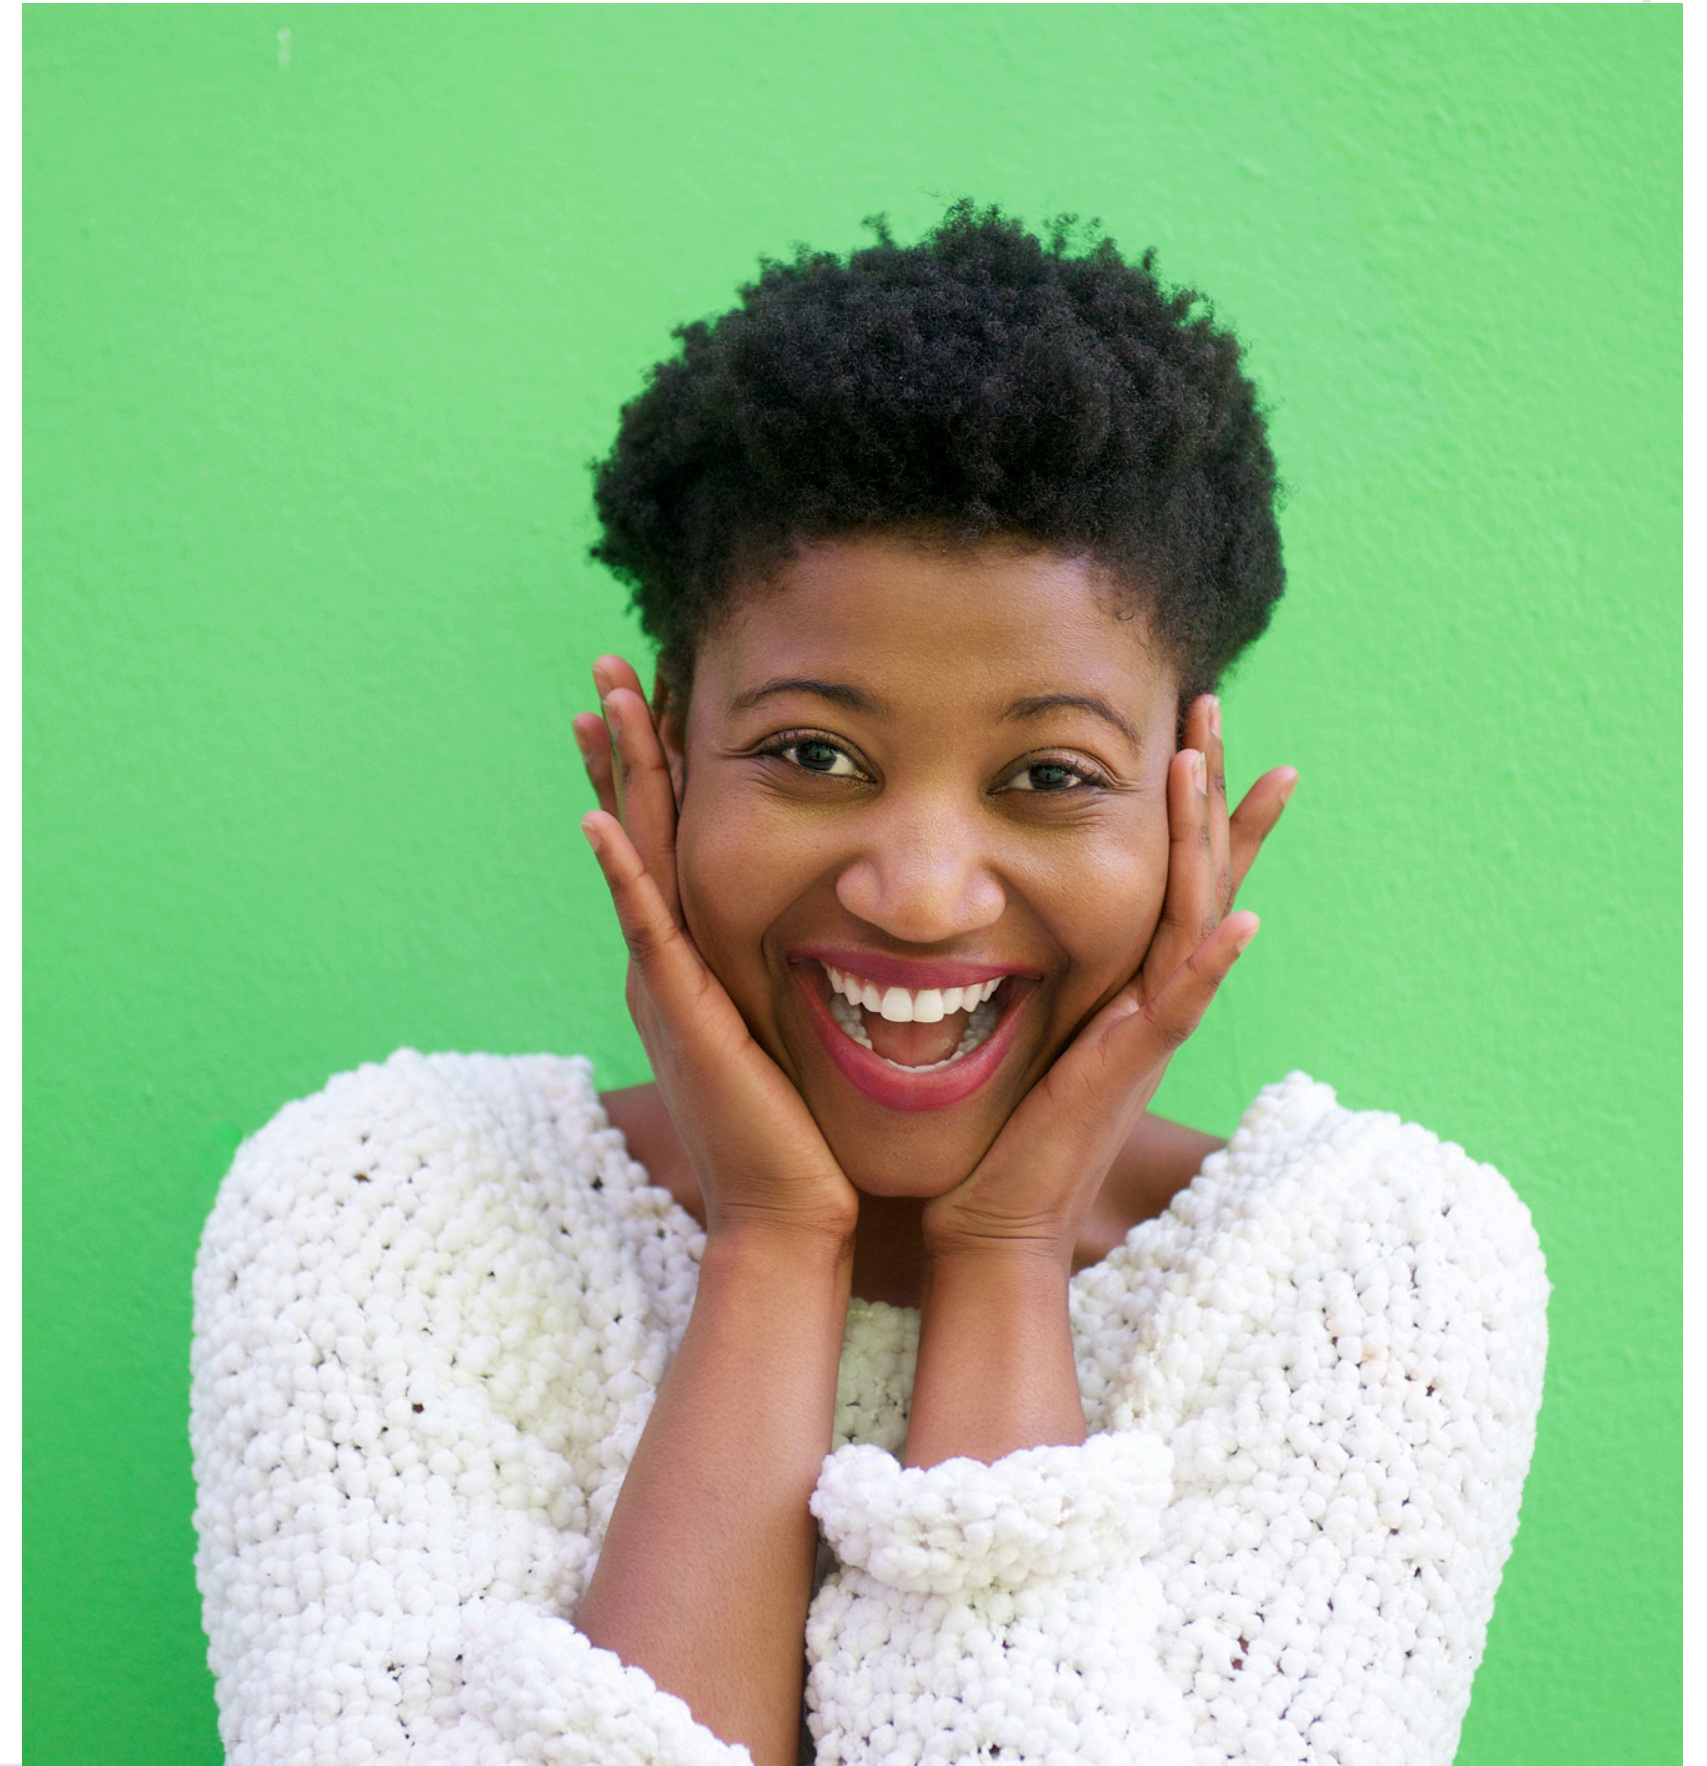

- Misaligned careers
- Financial stress
- Burnout leading to disengagement.
- Businesses with higher attrition rate.

HIT REFRESH was created as a structured reset...

WHY HIT REFRESH?

Hit Refresh exists to help individuals & businesses step back, regain clarity, and rebuild systems that support both excellent performance and peace.

What The Summit Delivers

- **Keynotes on career, mental, and financial wellness**
- **Panel sessions on self-leadership and building legacy businesses**
- **Interactive workshops and masterclasses on career and business systems redesign.**
- **Curated wellness and networking experiences**

PAST EVENT

Design Your Life 1.0 was a virtual masterclass hosted in February 2025, reaching over 200 participants and equipping them with purpose-driven systems to achieve their career goals through clarity and sustainable performance.

HIT REFRESH 2026 builds on this foundation, scaling the experience into a 1,000+ attendee in-person and hybrid summit with deeper impact.
