HIT REFRESH Career + Wellness Summit 2026

Prepared for **Stanbic IBTC Bank**

Redefining Success For A
Sustainable Future

SUMMIT OVERVIEW

Hit Refresh 2026 is the debut flagship summit of the **Balanced Unleashed** community, bringing together ambitious professionals and entrepreneurs who want to achieve high performance without burnout. This summit creates a space to pause, reflect, and realign career, finances, and personal wellbeing, empowering attendees to make intentional choices that support both growth and balance.

Guided by the theme, “**Redefining Success for a Sustainable Future,**” and the subtheme, “**Financial Wellness, Wellbeing & Purpose: Resetting for Sustainable Success,**” the summit combines keynotes, panel sessions, workshops, and masterclasses to explore clarity, career alignment, legacy leadership, and financial wellbeing.

About Balance Unleashed

Balance Unleashed is a career and workplace wellness community platform FOUNDED in 2024 to help ambitious professionals improve clarity, energy, and sustainable performance.

We operate at the intersection of:

- Career growth
- Mental wellbeing
- Individual and business performance
- Purpose-driven work

Balance Unleashed

Our community includes professionals, entrepreneurs, and leaders seeking healthier ways to work and live.

THE FOUNDER

Meet **Rachael Onoja**, a seasoned tech executive with over a decade of experience designing transformational human capacity programs for AltSchool Africa, Andela, European consulates, and more.

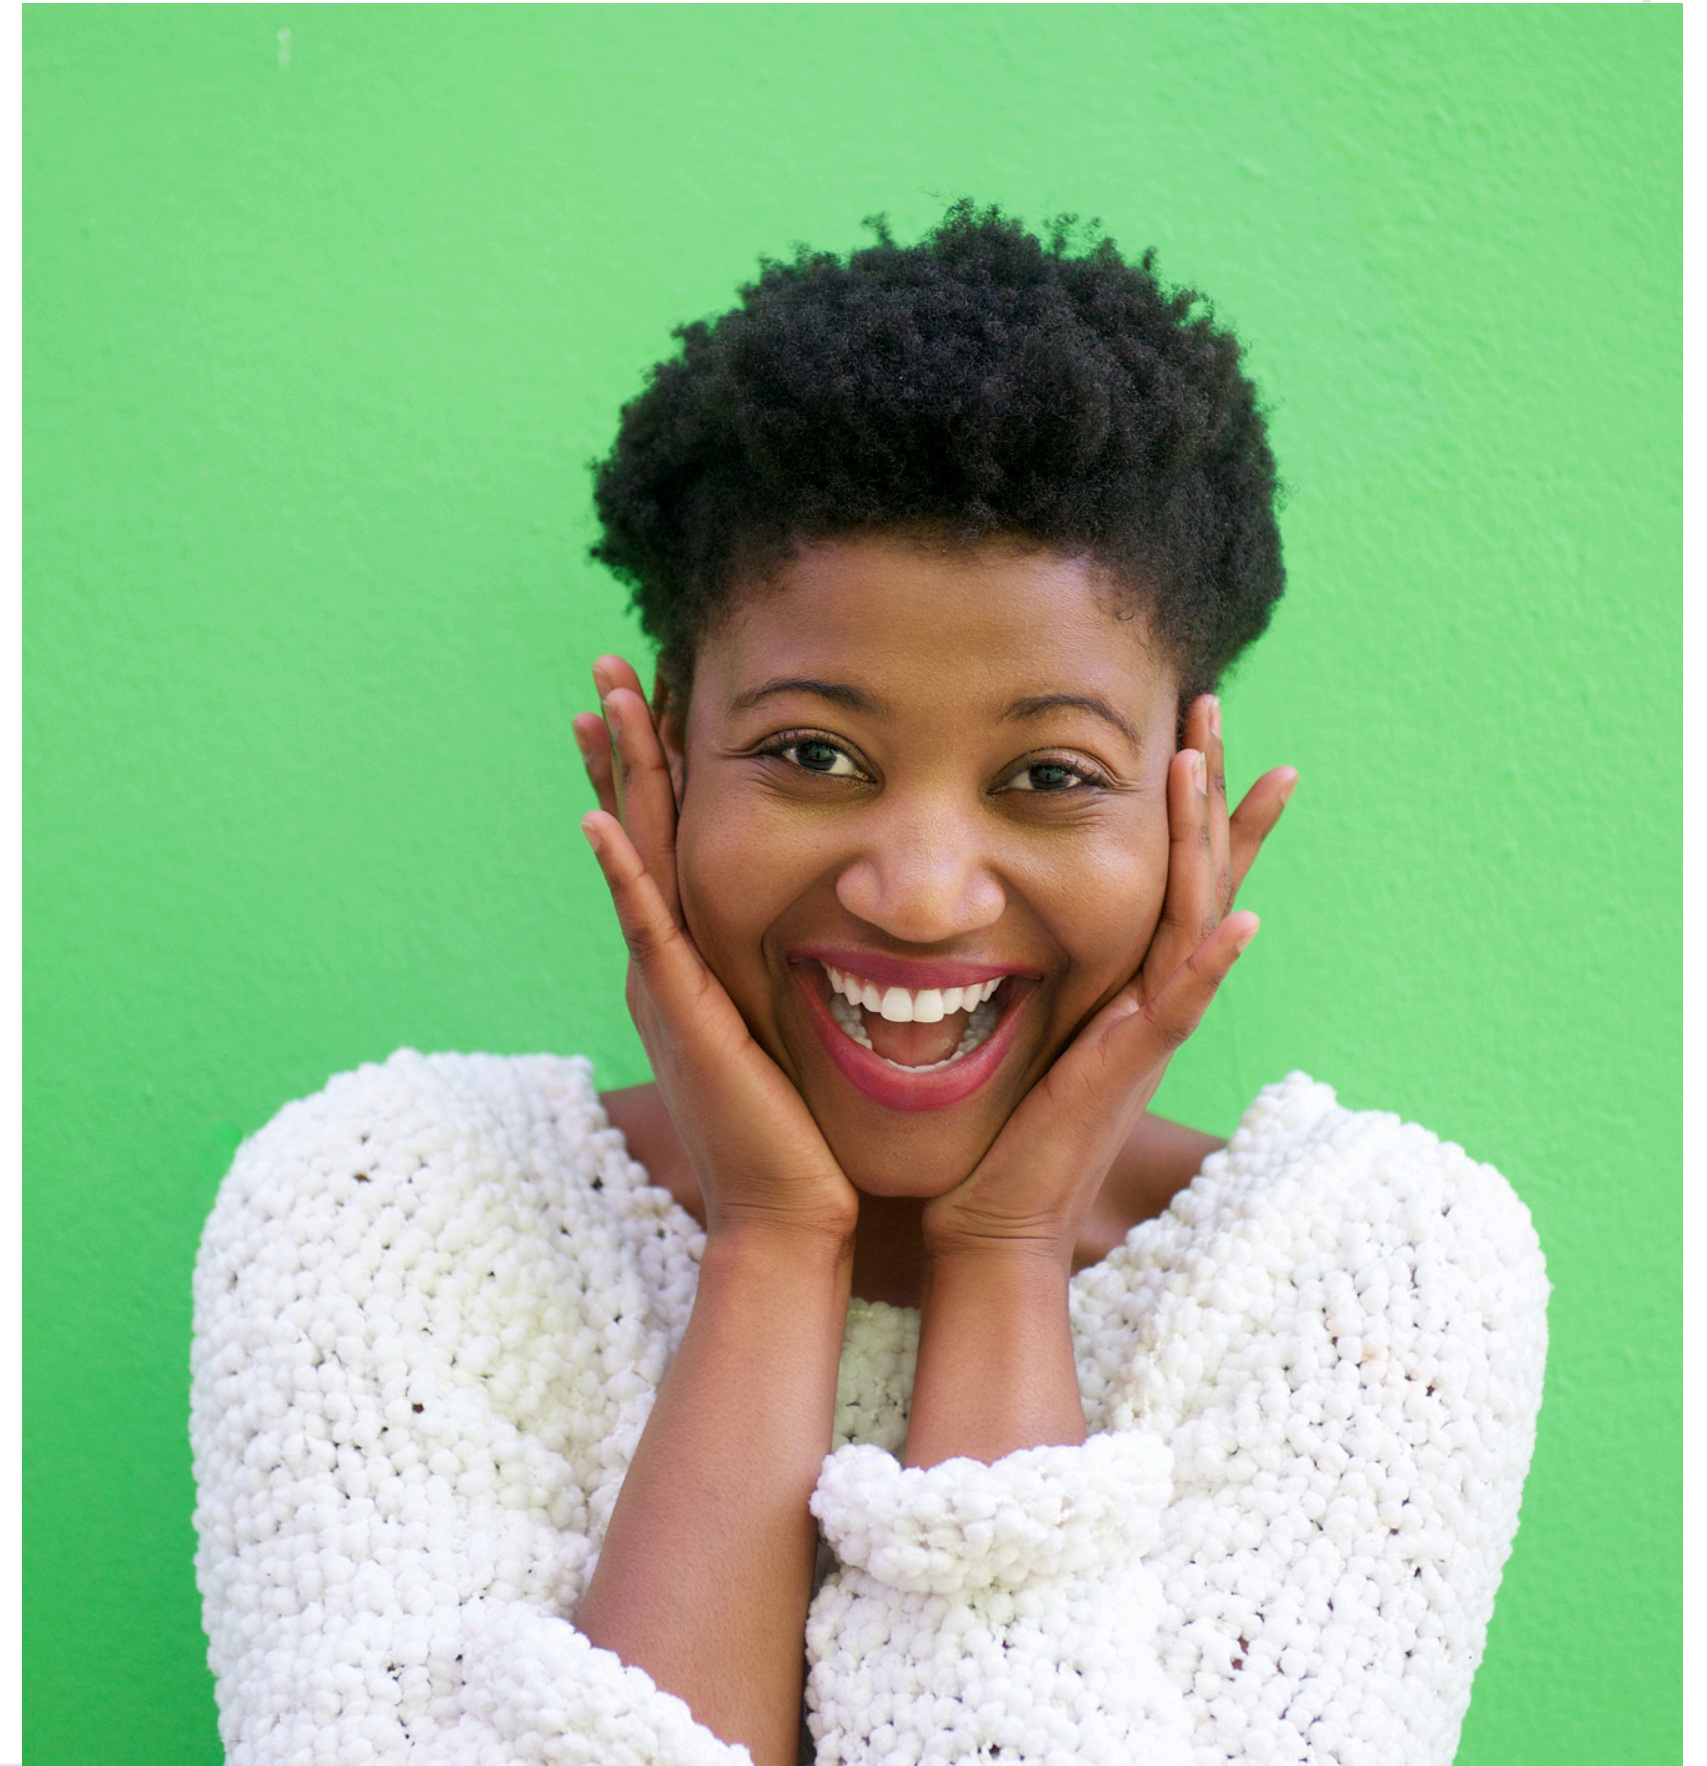

After personally experiencing burnout, she founded **Balance Unleashed**, a community dedicated to helping professionals achieve clarity, balance, and sustainable high performance. The **Hit Refresh** Summit is one of the many ways she brings the community's mission to life.

WHY HIT REFRESH?

Hit Refresh exists to help professionals step back, regain clarity, and rebuild systems that support both excellent performance and peace.

THE PROBLEM

Today, professionals earn more but often experience:

- Burnout
- Misaligned careers
- Financial stress

HIT REFRESH was created as a structured reset...

What The Summit Delivers

- **Keynotes on career, mental, and financial wellness**
- **Panel sessions on leadership and legacy**
- **Practical workshops and masterclasses**
- **Curated wellness and networking experiences**

PAST EVENT

Design Your Life 1.0 was a virtual masterclass hosted in February 2025, reaching over 200 participants and equipping them with purpose-driven systems to achieve their career goals through clarity and sustainable performance.

HIT REFRESH 2026 builds on this foundation, scaling the experience into a 1,000+ attendee in-person and hybrid summit with deeper impact.

WHY PARTNER WITH US?

HIT REFRESH 2026 brings together 1,000+ ambitious young professionals who are actively thinking about career growth and financial security, yet many still believe investing is inaccessible. Stanbic IBTC is uniquely positioned to change this mindset.

Through its mutual fund offerings, Stanbic can show attendees that investing can begin with as little as ₦5,000, breaking psychological and financial barriers to wealth creation. This summit provides a trusted, education-led environment to move participants from awareness to action.

BENEFITS OF PARTNERING WITH US?

- Drives mutual fund adoption among young professionals
- Positions Stanbic as the gateway bank for first-time investors
- Builds trust through education, not hard selling
- Converts awareness into immediate action and long-term customer loyalty

This partnership positions Stanbic IBTC as a long-term wealth partner, helping a new generation transition from saving to investing while building early loyalty with future high-value customers.
